Dear Merchant,

In June 2014, I, with the Town Board's support, re-established the Town's Veterans Advisory Committee (VAC) to ensure that veterans in the Town have access to the benefits and services they so rightly deserve. One of the ideas developed was to create a program connecting veterans and locals business to provide discount to our veterans.

This new initiative that the Town of North Hempstead is undertaking would show our appreciation to the Veterans who live and do business in the Town. Retail shops would be able to sign up to provide our veterans a discount on any purchase they make. This discount will be given to veterans who show their Veteran ID card at the time of purchase.

This is a great opportunity for you to show your appreciation for our veterans who have already given so much to our community.

All stores that sign up for this discount will be given a decal to display on their window, promoted on the Town of North Hempstead's website and have their business will be added to our already existing database of stores that provide discounts to veterans.

If you have any questions you can contact 311 or 516-869-6311 for more information.

Sincerely,

Judi Bosworth  
Supervisor
