Receiver of Taxes
CHARLES BERMAN

October 29, 2015

Dear Town Board Members and Residents of North Hempstead,

I am pleased to once again submit the Town's budget for a vote prior to Election Day. This is the second year that my administration has done so. I have scheduled the budget vote for today, October 29, 2015, keeping my commitment to an open and transparent government and allowing you, the taxpayers, to see where your tax dollars are going.

The Town's 2016 budget is a balanced plan with a modest tax levy increase which stays below the New York State tax cap. of 0.73%. This will qualify most taxpayers for a tax rebate on their New York State taxes. Meeting the State's tax cap restrictions has been a challenge, but by instituting tight controls on costs and new hires, we will be able to continue to provide Town residents with the services they deserve.

I am proud to report that on September 17, 2015 the Town received an Aa1 rating from the independent Wall Street bond rating agency Moody's Investors Service, Inc., which reaffirmed the Town's stable fiscal outlook. The positive ratings are based on the Town's conservative financial management practices and our reduction of debt by \$22.8 million in 2014 and \$8 million in 2015. This translates to lower interest rates and savings for taxpayers.

Under this budget, our Parks and Recreation Department will continue to provide exceptional concerts, multicultural events and myriad recreational opportunities. We have increased our snow and landscaping budgets. Our Highway Department will provide snow removal, tree trimming, street sweeping and sidewalk repair at current levels, with no cuts to these important "quality of life" services and attention to safety. Cultural and social event programming provided by our Department of Community Services will continue to make life more enjoyable for residents. Services provided to senior citizens through the Department of Services for the Aging (DOSA) and its Project Independence Program will continue to be a national role model by providing numerous services and programs for the Town's seniors, including transportation services for grocery shopping and doctor appointments.

The budget also reflects my stated commitment to pursue environmental initiatives and to secure funding for infrastructure needs. My team has developed a five-year capital plan that seeks to preserve the Town's resources, both natural, like our waterways and wetlands and man-made, like our roads and park structures. Our Department of Public Works (DPW), Highways, Planning and Sustainability staffs will all support these projects.

The preparation of this budget was accomplished by the dedicated efforts of the Comptroller's office, my senior staff and our commissioners. I thank them all for their efforts, as we continue to move our Town into a bright future.

Warm Regards,

A handwritten signature in cursive script that reads "Judi Bosworth".

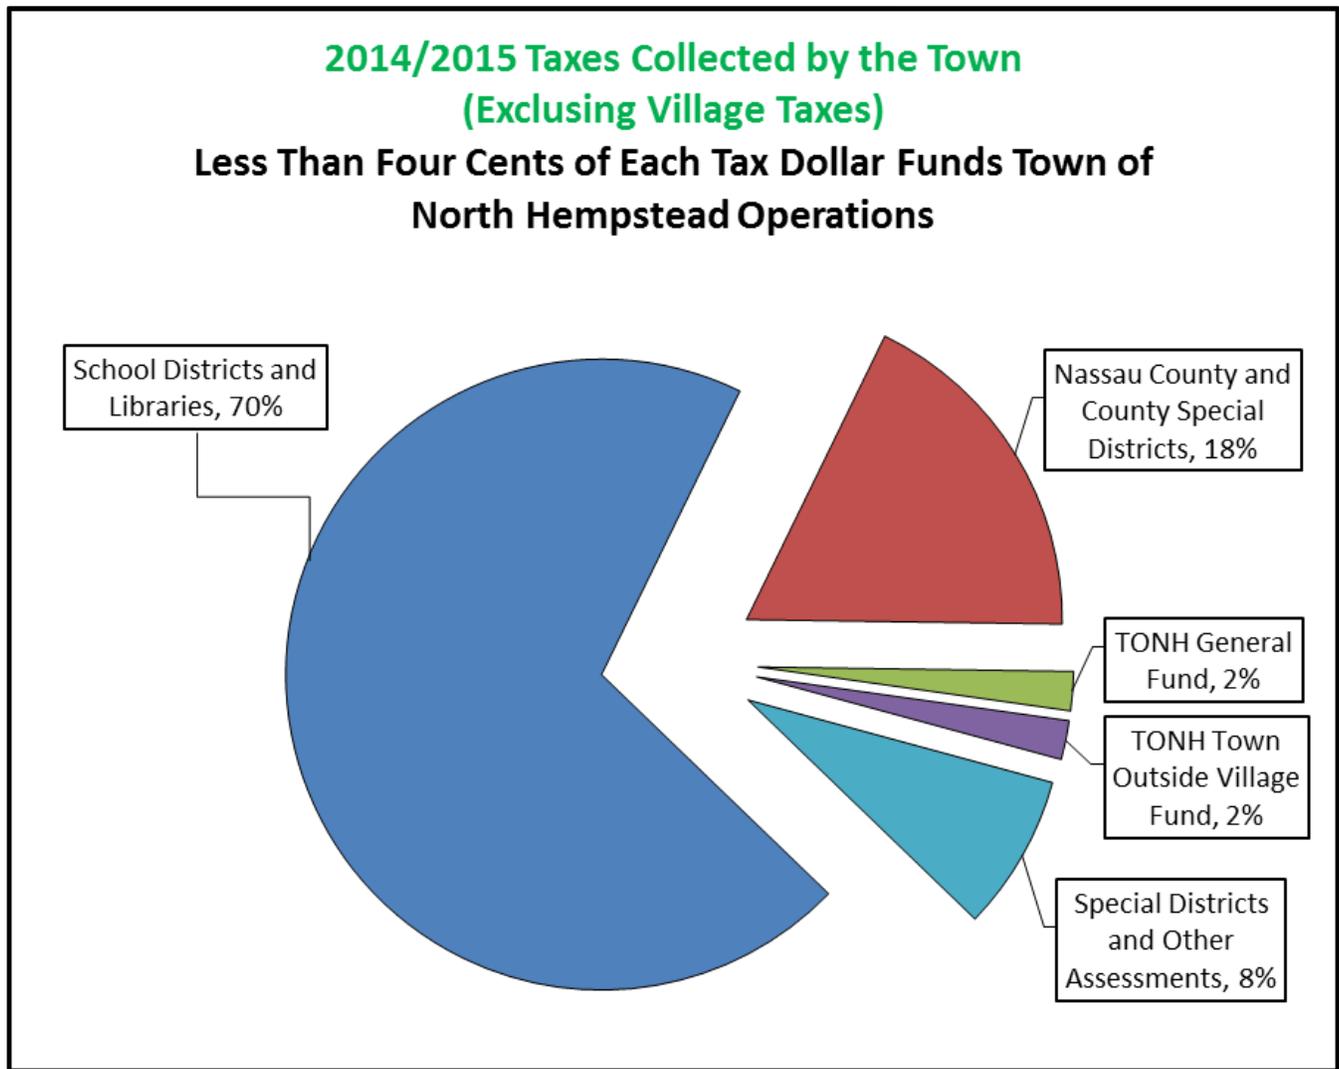

Judi Bosworth
North Hempstead Supervisor

The Governmental Funds of the Town of North Hempstead

North Hempstead Town declared its independence from the Town of Hempstead (Town) in 1775, and was recognized as an independent Township after the American Revolution by the New York State Legislature in 1784. Today, North Hempstead is governed by an elected Supervisor and six Town Councilmembers, with an elected Town Clerk and an elected Receiver of Taxes.

From a fiscal standpoint, the activities of the Town are organized, recorded, and reported on the basis of funds, each of which is considered a separate accounting entity. Each fund is a stand-alone, self-balancing unit, and is segregated from the others for the purpose of carrying on specific functions. The Town funds are combined for the purposes of calculating the State's tax cap.

Below is a pie chart detailing how much of the real property tax revenues collected from Town residents goes to Town of North Hempstead operations versus the operations of schools & libraries, Nassau County, and Special Districts.

General Fund

The General Fund is the principal operating fund of the Town of North Hempstead. Within the general fund are the revenues and expenses for departments whose operations impact and service residents across the entire Town, both within in the Incorporated Villages and unincorporated areas. Accordingly, the property tax base for this fund is all residents and businesses within the Town.

Within the General Fund are the departments that provide Town-wide services and support the ongoing administration of Town business. For example, all Town residents may use Town park facilities, call 311 for information, or participate in events sponsored by the Department of Community Services. Therefore, those are among the departments located in the General Fund.

The pie chart at the beginning of Tab 2 shows the distribution of expenditures amongst the departments within the General Fund.

The Town Outside Village and Highway Funds (TOV)

The Town Outside Village Fund was created from the merger of the Part-Town and Highway Funds by an act of the New York State (NYS) Legislature in 2006. Both funds served the same constituents – those who live or own property outside the borders of incorporated villages. The merger streamlined record-keeping and operations.

This Fund covers road maintenance, snow plowing, code enforcement, building safety and inspection, and community planning.

The pie chart at the beginning of Tab 3 shows the distribution of expenditures among the departments within the TOV Fund.

Town Operated and Commissioner Operated Special Districts

There are 46 special districts in North Hempstead (more than 6,900 across the state), overseeing such services as fire protection, garbage disposal, street lighting, parks, public parking lots, sidewalks, water and sewers, libraries, and business improvement.

These districts evolved over many years as a result of suburban growth as towns, including North Hempstead, sought to address local and regional needs that developed as the population increased. These districts are large enough to serve an area of need and are supported only by property owners within the district.

The 46 in North Hempstead can be divided into two types: 20 Town-operated districts which are administered by the Town Board; and 26 Commissioner-operated districts which have independently elected governing boards.

Tab 4 contains the budgets of the Town Operated Special Districts and Tab 5 contains the budgets of the Commissioner Operated Special Districts.

Town Departments

Administrative Services

The Department of Administrative Services maintains most Town facilities, performing a wide range of functions from painting to full scale renovations. The Department also provides support services for offsite functions, i.e., sound system and transportation as well as landscaping, gardening, parking lot governance and snow removal for the Town Hall, Annex, Animal Shelter and Department of Services for the Aging (DOSA) buildings.

The Department also encompasses Purchasing, Central Printing and Mailing. The Purchasing division is responsible for preparing bids for supplies and services for the Town, ensuring compliance with State and Town procurement laws and procedures. Central Printing and Mailing handles reproduction and mail services for all Town departments, from tax bills to special event flyers.

Community Services

The Community Services Department is the “Helping Hands” of the Town of North Hempstead. The Department’s mission is to create and maintain programs to improve the quality of life for each of our residents. Programs such as Eco-Fest, KidStock, FunDay Mondays, Veterans Breakfast and the Asian American Festival are coordinated by the Department to facilitate and encourage socialization and participation in the community.

In this budget, the Department has worked once again to expand the programs it can offer, working closely with the Parks Department and the Department of Services for the Aging in focusing on services for the elderly.

Department of Services for the Aging (DOSA)

DOSA provides programs tailored to meet the needs of North Hempstead’s aging residents who want to stay in our communities and in their own homes as they mature. DOSA’s core program is Project Independence (PI), the Town’s aging-in-place initiative. Almost one quarter of the Town’s 230,000 residents are age 60 or over. DOSA provides services including screenings for chronic conditions like high blood pressure and diabetes, health education seminars, support groups for caregivers and others, assistance accessing benefits, case management, social/recreational activities, volunteer opportunities and referrals to other sources of support.

In this budget, DOSA will once again coordinate its programs closely with the Department of Community Services to take advantage of Town resources and provide more focused assistance for older Town residents.

Comptroller

The Comptroller's Office (the Comptroller) is responsible for the overall financial management of the Town and its component special districts. The Comptroller accounts for all operating expenses, debt service and distribution of tax collections and other revenues. Additionally, the Comptroller manages the Town’s cash, supervises preparation of the payroll for all Town employees and compiles the Town’s Comprehensive Annual Financial Report (CAFR) and the Town Board's annual operating budget. The Comptroller also manages the financing of the Town’s and special districts’ capital projects, oversees grant activities and performs financial and debt management services for the Commissioner operated special districts.

The Town has been recognized by the Government Finance Officers Association with an award for its CAFR for each Fiscal year from 2010 to 2014.

TownStat is a Performance Measurement and Management system used by the Comptroller to report, monitor and analyze the data that flows from the operations of the various departments. This facilitates proactive evidence-based decision making by Town management. TownStat strives to provide a high level of accessibility, accountability and transparency in municipal government, both internally as a bridge between the departments and the town's chief executive and externally to our constituents. The system also serves as the "warehouse" of all statistical data relating to Town operations; Documenting and providing valuable information to elected officials, management, our residents, and the press.

Department of Human Resources

The goal of the Human Resources Department (HR) is to ensure positive employee relations, job satisfaction and a safe workplace for all employees. HR administers employee benefits and processes hiring, retirement, termination, promotions and all other employment changes. The Department maintains accurate and confidential personnel records, and manages the Town's time and leave system. The Department also trains employees in compliance with labor and anti-discrimination laws and ensures that the Town complies with State civil service laws.

Department of Information Technology (DoITT)

The Department of Information Technology and Telecommunications (DoITT) provides a secure, reliable voice and data technology environment. DoITT provides innovative, tactical, and strategic input on business systems by identifying, researching, recommending, and implementing new or improved technologies and processes for current and future business and operational needs. Technology must deliver business value first; therefore, technology will support, but not drive, the Town's operations and services.

DoITT also provides a unified set of shared services to a broad range of Town entities, ultimately improving services for Town employees and constituents.

311 Call Center

The 311 Call Center is a centralized unit that answers inquiries from Town of North Hempstead constituents. The 311 Service Representatives are able to answer many queries from the public directly without transferring the call. With "One-Call-To-Town Hall" callers avoid having their calls transferred from department to department in order to get information or assistance. If the call representative cannot answer the question, they are able to transfer the caller to the correct individual, in the correct Town department which can provide the answer. The 311 Call Center also provides up to the minute information on Town special events, takes requests for assistance for seniors in connection with Project Independence and provides information during blizzards and hurricanes.

The system also provides an ability to measure how well services are delivered. Requests for service are entered into a work-order format and sent to the appropriate department for review and immediate processing. Those work-orders are tracked to ensure that requests are completed in a timely manner and that the constituent is satisfied.

Through September of 2015 North Hempstead 311 has answered more than 1,380,000 constituent calls.

Parks and Recreation

The Town has 51 active and passive parks administered by the Department of Park and Recreation (the Park's Department). The Parks Department's mission is to meet the leisure-time and health and fitness needs of the residents of North Hempstead while maintaining high quality facilities. The Parks and Recreation system includes 12 baseball fields, 20 basketball courts, 2 field-turf multi-purpose fields, 12 playgrounds, 37 tennis courts, and 2 boat ramps.

Among the Town's best known facilities are North Hempstead Beach Park (home to a multitude of concerts and festivals during the year), Manorhaven Park (which includes an outdoor pool, tennis courts, and a skate park), Clark Botanic Garden, Tully Park (home to the Town's indoor pool, a fully-lighted and field-turfed outdoor athletic stadium, and ball fields), the "Yes We Can" Community Center (home to two full-size indoor basketball courts, a dance studio, a gym and community rooms) and the Harbor Links complex, with both a 18-hole championship and a 9-hole executive golf course, a driving range, miniature golf, a pro shop, athletic fields and a full service banquet hall and restaurant.

In this year's budget, the Parks Department is committed to working more closely with the Department of Community Services and DOSA to make the best use of programming dollars for community members. The Parks budget includes high levels of seasonal and part time employment, reflecting the fact that the summer months are the peak times for Parks activities.

Public Safety

The Department of Public Safety centralizes the Town's enforcement functions. The Department consists of Code Enforcement, Parking Enforcement, the Animal Shelter, Emergency Management, Town Security, Harbor Patrol and the Port Washington Public Parking District.

Code Enforcement administers and enforces Town laws, ordinances and regulations in the Town's unincorporated areas. These laws generally are aimed at keeping the Town's residential and commercial areas clean and safe. Inspectors respond to 311 calls about apparent violations in addition to coordinating with other Town Departments to identify Code violations. Violations are prosecuted in District Court by the Town Attorney.

Parking Enforcement enforces the Town's Uniform Traffic Code, which restricts parking on streets and in certain shopping centers in the Town's unincorporated areas. Town parking tickets are adjudicated and collected by the Nassau County Traffic and Parking Violations Agency, located at 16 Cooper Street West in Hempstead, New York.

The Animal Shelter is responsible for administering and maintaining the Town's dog shelter, enforcing local and State animal protection, control and licensing laws, and administering Town dog control services. Dogs are available for adoption from the Animal Shelter and the Shelter works closely with volunteers to support its mission.

Emergency Management works with Federal, State, and County emergency management officials to coordinate the Town's response to hurricanes, other severe weather conditions, and non-weather related catastrophes (including terrorist attacks). A Town emergency management plan has been prepared to guide EM's activities.

Town Security is housed in the Town of North Hempstead Yes We Can Community Center in New Cassel. The division passively monitors all security cameras and patrols all facilities, including Town Hall and the Town's many parks.

Harbor Patrol and our Bay Constables provide enforcement of the Town Code on the water ways, assists boaters in emergencies and promotes boater safety.

Public Works

The Department of Public Works (DPW) is responsible for most Town capital projects. The Administration Division coordinates and oversees the planning and development of Town capital projects, including the management of outside engineers, contractors and consultants.

The Engineering Division is responsible for the design and construction of Town road and drainage improvement projects, buildings, parks and beaches and any other public work improvements undertaken within the Town. This office also provides engineering advice to the Town Board and other Town departments. This division also implements compliance with the New York State Department of Environmental Conservation (NYSDEC) SPDES General Permit for Storm water Discharge from MS4.

This budget reflects the separation of the Department of Public Works from the Highway Division, which was implemented in 2014.

Receiver of Taxes

The Receiver of Taxes oversees the billing, collection, investment and distribution of taxes for the Town and the 46 Town and Commissioner-operated Special Districts located within it, Nassau County and County Special Districts, and 13 School Districts. The office bills over 73,500 parcels totaling nearly \$1.25 billion in taxes annually.

The Receiver is responsible for investing the tax funds in interest-bearing accounts in accordance with the New York State Municipal Code and the Town's Investment Policy. The Tax Office produces additional revenues for the Town through the collection of penalty monies and insufficient funds/returned check fees.

The Tax Office assists residents regarding Tax Exemptions, Assessment reductions, and applications processes. Through the Exemption Outreach Program, staff have met with thousands of residents and increased the number of households that receive the Enhanced Star Exemptions in the Town of North Hempstead from 5,000 residents in 2010 to nearly 7,000 residents in 2013. This exemption saves each resident an average of \$2,000 a year on their school tax bill. The result of the initiative has been an additional \$2 million a year of state aid to the Town's senior population.

The Tax Office has extensive daily contact with the residents and property owners of North Hempstead through the 311 Call Center and their visits to the Tax office, assisting constituents with general tax, payments and customer service inquiries. Additionally, the Tax Office provides residents with a comprehensive online information hub for all tax related questions including an online bill pay option. During the collection periods, the Tax Office provides satellite collection sites throughout the Town and extended office hours.

Supervisor's Office

The Supervisor is the Chief Administrative and Financial Officer of the Town of North Hempstead, and also serves as a voting member of the Town Board. As the head of the administrative branch of Town government, the Supervisor is responsible for the day-to-day operations of the Town, implementing, executing and enforcing all legislative actions of the Town Board, and the preparation, evaluation and recommendation of reports, information and material for Town Board action. The Supervisor is also responsible for preparation of the annual Town budget and for the administration of Town finances. The Supervisor's Office includes the following: Budget and Performance Management; Public Information; Intermunicipal Coordination; Legislative Affairs; and Constituent Services.

Town Attorney

The office of the Town Attorney provides legal representation, counsel and advice to the Town Board, Supervisor, operating departments and Town Agencies. Deputy Town Attorneys handle all aspects of litigations, including trials and appeals in lawsuits brought by and against the Town; Town Code enforcement; negotiation and drafting of contracts, inter-municipal agreements, licenses, franchises and other legal documents to which the Town is a party; labor relations and employment matters; advice as to the legal implications of contemplated policy, actions and administrative decisions; drafting of ordinances and local laws; Freedom of Information Law requests and appeals; and preparation of Town Board meeting agendas and drafting of Town Board resolutions.

The Town Attorney's Office handles all real estate transactions on behalf of the Town, preparing deeds, examining titles and conducting closings. It collects debts owed to the Town. The Office also prosecutes zoning and property maintenance violations of the Town Code.

The Office acts as counsel to the Board of Zoning and Appeals and various other Town boards and Commissions including the Solid Waste Management Authority, the Business Tourism Development Corporation, the Historic Landmark Preservation Committee and the Community Development Agency.

Town Board

The Town Board is the policy-making and governing body of the Town and consists of the Town Supervisor and six Town Board Members, elected from individual districts by Town of North Hempstead residents. The Town Board's mission is to provide effective leadership, set policy in order to deliver effective and efficient public services and oversee the financial health of the Town.

Town Clerk

The Town Clerk is the Records Management Officer of the Town. The Clerk is responsible for active files, disposition of inactive records and protection of the archives. As Secretary to the Town Board, the Clerk is responsible for preparing and maintaining the minutes of Town Board meetings.

The Town Clerk issues State licenses such as marriage, hunting, fishing, going out of business sale, games of chance, dog, bingo and raffle licenses. The Clerk issues Town licenses including taxi, towing, peddlers and solid waste collection.

Additionally, the Town Clerk is a designated Marriage Officer, and as Registrar of Vital Statistics, issues and maintains birth and death certificates and records in the Town.

Building Department

The Town of North Hempstead Building Department is responsible for the administration of the New York State and Town of North Hempstead Building Codes as they relate to property, buildings and construction within the unincorporated areas of the Town of North Hempstead.

The Building Department is comprised of an Inspection Section and an Enforcement Section. The Inspection Section is responsible for the intake of applications and the issuance of Building, Plumbing and Rental permits, as well as Public Assembly licenses. Members of the Inspection Section follow up on permits that have been issued and conduct safety inspections at job sites to ensure permitted work is being performed in compliance with the applicable State and Town Codes. Members of the Enforcement Section are trained to identify and investigate a variety of construction and illegal housing violations. Through a comprehensive inspection and investigation process, Town inspectors not only identify and bring violations into compliance, they help ensure the safety of residents. Upon the successful completion of the inspection process and final review of the file, applicants are issued various certificates and licenses confirming and documenting that the permitted work has been done in a safe and satisfactory manner, as well as in compliance with State and Town codes.

Planning and Environmental Protection

The Planning Department is primarily responsible for land use regulation, historic landmarks preservation, environmental impact review and public transportation issues. In addition to performing technical reviews of all major commercial, multi-family and institutional development proposals, the Department participates in the implementation of transportation, environmental and other capital projects as well as any real estate transactions involving Town-owned land. The Department oversees the operations of the Historic Landmarks Preservation Commission, the Ecological Commission, and represents the Town on the Manhasset Bay and Hempstead Harbor Protection Committees. A separate division within the Department reviews all applications to the Board of Zoning Appeals.

Highway

The Highway Department is responsible for the maintenance and repair of more than 300 miles of Town roadways, including pavement and drainage maintenance, street sweeping, pothole repair, street sign installation and maintenance, tree removal and maintenance, snow removal, ice and flood control. The Highway Superintendent issues road opening permits for anyone (homeowners and/or contractors) planning to perform work within the Town's right-of-way. In 2016, the Department will continue to administer the Town's new laws regulating the removal of double utility poles and the placement of warning signs about hazardous chemicals on poles. The Town roadways are located in the unincorporated areas outside Villages.
