TONH Teachers' Corner Helping Educators across Town

North Hempstead, NY--Supervisor Jon Kaiman welcomes educators throughout North Hempstead to view, download and participate in the 2010 Keeping it Green Contests and Lesson Plans. Educators and residents can visit www.northhempsteadny.gov/teacherscorner.

"Thousands of students from across the Town take part in the fun and educational programs every year," said Supervisor Kaiman. "The innovative programs allow students a chance to share their ideas, express their creativity and learn about their environment."

For more information about Teachers' Corner programs or to schedule a visit from North Hempstead's Outreach Team for your school, please call 311 or (516) 869-6311 or email OutreachTeam@NorthHempsteadNY.gov.
