

ADDENDUM NO. 1

NAME: E-Waste Service, TNH133-2015

DATE: December 8, 2016

TO: All Prospective Proposers

This amendment is being issued to answer questions that have been asked of the Town regarding the RFP:

Questions:

- 1) Page 25 of 58 – Intent: This states that the SWMA will not accept proposals that require SWMA to pay for these services. (this statement was also reiterated in Section G Page 26 of 58) Given the decline in market value of these items, should a proposer not submit a proposal that requires payment by the SWMA? Will the SWMA automatically disqualify a proposal that requires the SWMA to pay?

Answer:

Do to the change in the market for electronic items, the Solid Waste Management Authority will consider all proposals and the 2 sections on pages 25 and 58 can be disregarded.

- 2) Page 25 of 58 – Task 2: If a proposer is only interested in providing services as outlined in Task 1, will such a proposal be considered?

Answer: All proposals will be considered.

- 3) Regarding the collection site, how is material currently stored at the location?

Answer: The Material is collected at the Transfer station and the SWMA Admin building, both are located on West Shore Road in Port Washington. The material is stored in a sea container at the transfer station and is stored inside a large building at SWMA admin building.

- 4) Does the site have a loading dock and forklift available for loading?

Answer: There is no loading but there is a forklift

- 5) How is the site currently being serviced (semi-trailer or box truck)?

Answer: Both

- 6) What is the average volume of each pick-up and frequency of pick-ups?

Answer: Approx. 24 skids per trailer every 2 weeks, approx. 8-9 tons per trailer

- 7) What is the split by specific product type? Specifically we are looking for a breakdown by:

Answer: There are no specific quantities of breakdowns. The material collected is removed together.
