AMENDMENT NO.1 TO REQUEST FOR PROPOSALS NO. SWMA-0003-2020 TRANSPORTATION AND DISPOSAL OF SOLID WASTE MAY 26, 2020

This Amendment is being issued to answer questions raised by potential proposers on a pre-proposal conference call held on May 21, 2020. As stated in the RFP, additional questions may be asked of the Authority until June 5, 2020 by emailing contracts@northhempsteadny.gov or kellym@northhempsteadny.gov.

Questions:

Q1: How many trailers can be stored at the Transfer Station?

A1: Approximately 20 trailers can be stored.

Q2: At what times may the service provider pick up or exchange trailers at the site?

A2: Pickup and exchange will happen in accordance with a schedule to be determined by the service provider and the Authority. However, pickups and exchanges mainly occur after the Transfer Stations operating hours, though empty trailers are returned during operating hours.

Q3: Who is the current contractor?

A3: Seneca Meadows Inc. A question was asked separately from the call as to whether potential proposers can be sent the current pricing terms of the Authority's contract with Seneca Meadows. This information may be requested by submitting a request under the Freedom of Information Law. A form for this request is attached to this Amendment. Requests may be submitted to the Authority's records officer at kellym@northhempsteadny.gov.

Q4: What are the MWBE requirements? Are there any minimum participation requirements for MWBE's or SDVOB's in this RFP?

A4: The five point credit in the RFP for Minority or Women-Owned Businesses (MWBE) or Service Disabled Veteran Owned Businesses (SDVOB) is not meant to imply that a proposer must be either an MWBE or SDVOB to submit a proposal. No such requirement exists in the RFP or will be imposed. This credit is included as this RFP was created with the assistance of the Town of

North Hempstead and it is the Town of North Hempstead's policy to include this credit in RFP's. However, to receive the credit as an MWBE, the proposer must present documentation that the proposer is at least 51% woman- or minority-owned. In order to receive the credit as an SDVOB, the potential proposer must show documentation that it has been certified as an SDVOB by New York State in accordance with their SDVOB Program.

Q5: Will an onsite meeting or video link for the Transfer Station be made available?

A5: Any potential proposer wishing to view the Transfer Station site may email kellym@northhempsteadny.gov or contracts@northhempsteadny.gov to schedule an appointment to do so. At this time, we are limiting visits to the Transfer Station to one proposer at a time.

Q6: It seems that the Town's/Authority's DEC permit for the transfer station has expired. Is a renewal in process?

A6: The Town/Authority has timely applied to renew the DEC permit for the Transfer Station. All documentation has been submitted and we are awaiting a new permit. DEC has confirmed that, in accordance with the State Administrative Procedures Act, the Authority may continue to operate the Transfer Station under the existing permit until a new permit is issued. We expect the new permit to be issued shortly and to be for a five year duration.

Q7: Will the Authority provide a list of vendors who attended pre-proposal conference call?

A7: The proposers on the conference call were:

Dean Devoe – Tully Environmental
Anthony Core – Omni Recycling
Brad Slover – Omni Recycling
Eddie Lopez – Casella Resource Solutions
Andrea Calarco – Casella Resource Solutions

TOWN OF NORTH HEMPSTEAD
APPLICATION FOR PUBLIC ACCESS TO RECORDS

TO: RECORDS ACCESS OFFICER
220 PLANDOME ROAD
