AMENDMENT NO.4 TO REQUEST FOR PROPOSALS NO. SWMA-0003-2020 TRANSPORTATION AND DISPOSAL OF SOLID WASTE JULY 7, 2020

This Amendment is being issued to inform potential proposers that, contrary to Section IV(E) of the RFP, proposers do not need to have proposal Form G signed by potential subcontractors. However, the form does need to be completed and signed by the proposer, as indicated on the form.

All other provisions of the RFP, as previously amended, remain unchanged.
