

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Town Board of the Town of North Hempstead, in the County of Nassau, State of New York, will meet at the Town Hall, 220 Plandome Road, Manhasset, New York, on September 12, 2012, at 7:30 o'clock P.M. (Prevailing Time), for the purpose of conducting a public hearing in relation to the increase and improvement of facilities of the Great Neck Water Pollution Control District. The original scope of the Project consisted of the upgrade and expansion of the existing District waste water treatment plant, located on East Shore Road and Vista Hill Road, in Great Neck, New York, the acquisition of the Village waste water treatment system, decommissioning of the Village of Great Neck waste water treatment plant and construction of an inter-municipal sanitary sewer to divert flow from the Village of Great Neck waste water treatment plant to the upgraded and expanded District waste water treatment plant, at the aggregate estimated maximum cost of \$60,000,000.00, including any ancillary or related work necessary in connection therewith. In August 2012, the Board of Trustees of the Village of Great Neck determined to pay for the cost of decommissioning the Village's waste water treatment plant with available funds of the Village and has informed the District that it no longer requires financing in the amount of \$1,800,000 for said decommissioning. The District now desires to modify the original scope of the Project to eliminate the decommissioning of the Village's waste water treatment plant at a cost of \$1,800,000 and substitute for said decommissioning the installation of a second one meter belt filter press and associated upgrades to the dewatering system, including the rehabilitation of the existing polymer storage and feed system, to furnish installed redundancy and provide improved flexibility for operating personnel by increasing the dewatering capacity and allowing the duration of dewatering operations to be reduced, at a cost of \$1,800,000.

At said public hearing, the Town Board will hear all persons interested in said subject matter thereof.

**BY ORDER OF THE TOWN BOARD OF THE
TOWN OF NORTH HEMPSTEAD**
