A Message from **SUPERVISOR JENNIFER DeSENA**

As the air turns crisp and our calendars turn to fall, we invite our residents to a fantastic array of upcoming seasonal events. The Fall Festival, Spooky Walk, Howl-O-Ween, Not-So-Spooky Walk and Halloween Movie Nights are all great opportunities to celebrate Halloween and the fall season. Come out and honor the culture of our Hispanic community at the Hispanic Heritage Month event, or even give back to our planet and help protect the environment through STOP and Shed the Meds events. There's plenty to do in the Town of North Hempstead and I look forward to seeing you all at one of our events.

Regards,

Jennifer DeSena, Town Supervisor

Stormwater Tip

Stormwater runoff can carry contaminants such as pesticides, herbicides, and fertilizers from your garden and lawn into our waterways. This could impact our drinking water and the ecosystems of plants and animals living in the water. When using pesticides, herbicides, and fertilizers remember to follow the instructions on the bottle and to use them sparingly.

Climate Smart Survey

The Town is asking for your help! To measure perceptions and concerns about climate change in North Hempstead we are asking residents to take a short survey. Results will be used in the formation of a Town Climate Action Plan. Take the survey at: www.northhempsteadny.gov/climateaction.
