MESSAGE FROM SUPERVISOR JUDI BOSWORTH

North Hempstead's Veterans Advisory Committee is now two years old, and we are proud to continue to connect veterans in our Town to the benefits and services to which they are entitled. New this year, the Town has free parking for disabled veterans at North Hempstead Beach Park and Manorhaven Beach Park, and will continue to offer discounted parking to all veterans. Last year, we partnered with the Northport VA Medical Center, as they brought their mobile unit to FunDay Monday to provide medical evaluations to veterans, and assisted them in applying for their VA medical card. We are proud to be offering this once again. This newsletter has more details on that, as well as information on Town-sponsored veterans' events, and contact information for veterans' agencies. Remember, if you have any questions, feel free to call 311 to speak to an operator, or to be connected to our veterans' caseworker. Enjoy the rest of your summer!
