

A Message From The Parks Commissioner

“The Town of North Hempstead Parks Staff at Clinton G. Martin is dedicated to building lasting relationships with our members and guests to create a facility that promotes sociability, liveliness and family enjoyment. Our goal is to accomplish this while we educate and develop a team of service orientated associates that can help grow the community while never losing focus of our members needs.

The new team has a fresh and exciting vision that will make for one of the most enjoyable seasons ever.

Welcome those of you who are returning and new members to the 2011 Season at Clinton G. Martin Park”

*Donald R Zauner Jr.
Commissioner of Parks and Recreation*

Home of the Duckies!

The Duckies are a swim team comprised of boys and girls ages 5 to 18. Children are selected and placed by well trained and highly qualified swim coaches. Some of whom were Duckies themselves. Along with the help of parent volunteers, a pasta night and an end of the summer awards dinner. Your little Ducky will spend more time exercising, stretching and swimming. So be part of the team and add a little friendly competition and a lot of fun to your child’s summer.

Registration starts May 1st.
