

Eupatorium serotinum – Boneset or Late Thoroughwort
with *Junonia coenia* – Common Buckeye Butterfly

Native and Invasive Plant Resources for Conservation, Restoration, and Landscape Plantings

Long Island Native Plant Initiative, Inc.
Bridging the gap by going to seed...

Native Plant Databases and Regional Plant Lists:

First Place to Check on if a plant is native to NY and which county.

New York Native Plant Atlas:

<http://www.newyork.plantatlas.usf.edu/Default.aspx> hosted by the New York Flora Association:
<http://www.nyflora.org/>

Others Great Resources:

Brooklyn Botanical Garden's New York Metropolitan Flora Project: <http://www.bbg.org/research/nymf/#>

GoBotany, which is part of the Native Plant Trust: <https://gobotany.nativeplanttrust.org>

Lady Bird Johnson Wildflower Center at University of Texas at Austin: www.wildflower.org/collections, select "New York".

Long Island Native Plants for Landscaping: A Source Book, by Karen Blumer, Growing Wild Publications 1990

Native Plants of the Northeast: A Guide for Gardening and Conservation, by Donald Leopold, Timber Press 2005

Northeast Wetland Flora - Field Office Guide to Plant Species USDA-Natural Resources Conservation Service, Northeast National Technical Center, Chester, Pennsylvania. Jamestown, ND: Northern Prairie Wildlife Research Center Online. [NPWRC Northeast Wetland Flora Field Office Guide to Plant Species](#)

NYC Department of Parks - Greenbelt Native Plant Center – Plants of NYC Metro Area

- Drought Tolerant Plant List

http://www.nycgovparks.org/sub_about/parks_divisions/gnpc/garden_species_lists/garden_drought.html

- Full Shade Tolerant Plant Species

http://www.nycgovparks.org/sub_about/parks_divisions/gnpc/garden_species_lists/garden_full_shade.html

- Green Roof Plant Species-

http://www.nycgovparks.org/sub_about/parks_divisions/gnpc/garden_species_lists/garden_green_roof.html

- Partial Shade Tolerant Plant Species-

http://www.nycgovparks.org/sub_about/parks_divisions/gnpc/garden_species_lists/garden_part_shade.html

- Salt Tolerant Plant Species-

http://www.nycgovparks.org/sub_about/parks_divisions/gnpc/garden_species_lists/garden_salt.html

- Sun Loving Plant Species-

http://www.nycgovparks.org/sub_about/parks_divisions/gnpc/garden_species_lists/garden_sun_loving.html

- Wildlife Garden Plant Species-

https://www.nycgovparks.org/sub_about/parks_divisions/gnpc/garden_species_lists/garden_wildlife.html

Roadside Use of Native Plants - US DOT Federal Highway Administration Washington D.C. 1999

https://www.environment.fhwa.dot.gov/env_topics/ecosystems/roadside_use/roadside_toc.aspx

USDA – Plants Database: <http://plants.usda.gov/> A database of native and non-native plants, however location data is not always accurate, consider using instead the *Biota of North America Program* (<http://bonap.org/>), and North American Plant Atlas (<http://bonap.net/napa>)

Invasive Species References:

First Place to check on if a plant is invasive on Long Island.
